**Residential Programs  
 Contractor Application for Participation**

Application steps:

- Please fill in the information below.
- Submit a W9 form with this completed application to EWEB at the above address.
- When received, Contractor will be contacted so as to orient them to EWEB program requirements.
- After orientation, Contractor will be added to EWEB's internal list to do work immediately.
- Active contractors who have completed a project through EWEB's programs in the last 12 months will be listed on <http://www.eweb.org/residential-customers/rebates-loans-and-conservation/find-a-contractor>. The list will be updated at least once per year.
